The facts of the case are fully explained by the Dy. Comr., Kadur Dt., in his letter No. D.C. 53/35-36 dated 3rd December 1937. A brief history of the temple referred to above is given in Flag P. Rules relating to the disposal of the grants of defunct institutions given on pages 236-38 of the Muzrai

institutions require that grants or inam lands granted to defunct institutions should be given to institutions which belong to the same religeon. But it does not say that it should be given to institutions belonging to the same caste. It would therefore seem to be permissible to grant an inam land belonging to a Saivite or Sri Vaishnava institution to another saivite or Sri Vaishnava institution. Saivites like Sri Vaishnavas belong to different castes. There are Brahmins, Konalis, Satanis and Sudras who are Sri Vaishnavas. Similarly there are Saivites who are Smartha, Vadama, Chitpavan and Saraswat Brahmins, Lingayets or others belonging to other Non-Brahmins sub-castes. The M.C.'s proposal does not therefore seem to be in contravention of the Rules relating to disposal of the grants and inam lands of defunct Mugrai institutions. The M.C.'s proposal is submitted for orders

4/ Besides the instructions contained in pages 236-239 of the manual, there are no other instructions on the point. The case does however raise a point for consideration whether the case falls within the purview of the Govt order dated 1.3.1929 (P 238 of the Manual)

The M.C.'s letter dt 3/1937 is submitted for perusal. The Virupaksha matt at Balur would seem to have been a Viraśaiva matt. To grant its lands to a temple of the Brahminical sects is likely to give rise to comment. It might be better not to approve the proposal in order.
